

# WHO SHOULD ATTEND THE GONA TOF?

## 1 EXECUTIVE AND TRIBAL LEADERSHIP

Important for tribal leaders to hone their skills in guiding and unifying their communities.

## 2 EDUCATORS AND HEALTH PROFESSIONS

Those in the education and health care field can benefit by learning how to address and integrate communal aspects into education and health services.

## 3 SOCIAL SERVICES WORKERS

Personnel in this area can gain insights on better serving community needs through enhanced leadership and facilitation skills.

## 4 LAW ENFORCEMENT AND JUSTICE WORKERS

These professionals can learn conflict resolution skills that are essential for fostering peace and understanding in community dealings.

## 5 YOUTH AND RECREATION WORKERS

This training will help those working with the younger populations and in recreational programs to build stronger, more cohesive groups.

## 6 OTHER COMMUNITY SERVICE PROVIDERS

Anyone engaged in servicing community members and who is interested in leadership would find this training beneficial.

# SEVEN BENEFITS OF GONA TOF TRAINING

This training provides tools and knowledge that can significantly empower those involved from grassroots to executive leadership level and development of their communities through strength-based and resilience-informed methodologies tailored to the unique needs of Indigenous communities.

## WIN/WIN OPPORTUNITIES 1

Learn methods to negotiate and collaborate effectively, ensuring outcomes that benefit all parties involved

## CONFLICT RESOLUTION SKILLS 2

Essential for maintaining harmony within the community, these skills help resolve disputes amicably and constructively

## TEAM DEVELOPMENT 3

Transform groups of individuals into cohesive teams that work towards common goals

## SERVANT LEADERSHIP 4

Enhance ability to lead by serving, putting the needs of the community and others first to foster trust and respect

## EMOTIONAL INTELLIGENCE 5

Increase understanding of emotional cues and how to react appropriately, which is crucial in leadership roles

## MEETING MANAGEMENT 6

Gain techniques to conduct meetings that are not only engaging and inclusive but also productive and goal-oriented

## STRATEGIC PLANNING 7

Learn how to develop and implement effective strategies that ensure long-term benefits and sustainability for the community
